Sensational, engaging, clean, extremely intelligent, and authentic folk, we love it. ~ **Indieoclock**

Their performance strikes a balance between thoughtfulness and a rush of instinct in a controlled manner that ties meaning and art together. ~ **Indie Spoonful**

Kathy and Tim are extremely engaging on a personal level, were enthusiastic to perform at The Den and as the gifted musicians that they are, they provided a high energy and polished afternoon of music performing as the duo Phoenix. It was a pleasure meeting and hosting Kathy and Tim Crosby at The Acoustic Den Café. ~ **Preston Stepper, Owner/Operator**
